Know About Saburi Shine Platinum

VISION & MISSION

Dedicated to ensure a performance-oriented service to our customers, Saburi Plywood is one of the best Plywood brands in India. One of the leaders of the Plywood Industry. Saburi Panels Pvt. Ltd. is ISO 9001: 2015, ISO 14001: 2015 & ISO 45001 : 2018, FSC & CARB in certified under UFA. We are operating PAN India level. With an array of products and services under a same brand, Saburi Plywood is the best choice industrial requirement, carpenters, architects and dream projects.

With the hard work and sincere efforts over a long period of time, Saburi Plywood has mastered the business of Plywood manufacturing and marketing to become one of the best plywood brands in India.

We at Saburi Plywood have old brains to run the operation with the new & advance technology of production. Being the manufacturers of premium plywood in India, Saburi Plywood shares the quest for excellence in the Plywood Industry and utmost customer satisfaction has always been our first target.

We at Saburi Ply strive to maintain a balance between development and environmental sustainability. Our goal is to undertake projects that strictly adhere to environmental safety norms while minimizing water consumption. As an eco-friendly company, we are committed to protecting the planet. We strongly believe that if we do not take environmental issues seriously today, future generations will hold us accountable for our irresponsible actions.

Saburi Ply is a responsible corporate entity. Our mission aligns with national initiatives such as 'Make in India,' 'Skill India,' and the 'Swachh Bharat' mission. We are dedicated to empowering youth by enhancing skill development, making our nation a global leader in human resources, and promoting self-reliance.

Mirror finish, IS: 4990

Unique Features

- Thicker face veneer.
- Withstands the load of concrete, vibrations and extreme weather conditions
- High reuse value

Application

Construction, Repair and Maintenance of Buildings
Bridges, Beams, Fly-Overs, Vehicle Bodies, Roofing.

Available Thickness & Weight

9mm, 12mm, 18mm, 25mm.
Weight: 30 Kg, 34kg, 38kg, 45kg, 51kg

Saburi Gold Flexi Plywood

Shuttering Plywood is BWP grade plywood treated with preservatives mainly used for concrete purpose. Manufactured with select hardwood, it withstands the loads and forces encountered during the pouring of concrete and vibrations. It is the result of continuous experiments undertaken at our modern laboratories to meet the growing demand from the construction industry for highly durable concrete shuttering plywood.

Usage

- Concrete framework for beams and pillars
- Flooring and slab framework
- Mezzanine flooring
- Truck and tempo body work

FACTORY TEST REPORT 4990 (SHINE PLATINUM)

Dimension	BIS Requirement		Observation
Length	2440	+6 -0	2442mm
Width	2440	+6 -0	1222mm
Thickness	12mm	±5%	11.90mm
Squarness	2mm/ 1000mm		0.95mm
Edge Straightness	2mm/ 1000mm		0.50mm
